

PHOTOGRAPHY TOURISM!!

Special from Globe Tours.... Creativity Taught.....!!

Photography Tours

Globe Tours offers a variety of ways to improve your photography skills with the guidance of a World Class Photographer, Mr. Sumesh Senan, (<http://www.sumeshsenanphotography.com/>), who is world acclaimed.

All of our photography programs are designed for amateur photographers of all levels interested in improving their skills.

On our photography expeditions and active photography adventures, you'll learn tips and techniques while exploring picturesque places with the World Class Photographer & your instructor.

Our weeklong photography workshops and weekend photography workshops cater to those who seek more intensive instruction and include photo assignments in the field, talks on technique, and edit-and-critique sessions.

Globe Tours photography seminars are also available on one-day courses (minimum number of participants required) held in cities all over India, that cover a broad range of techniques.

Main Objectives of Globe Tours Photography Tourism:

- To discover life through your camera while being guided by a pro.
- Not to be an outstanding photographer in the next few days but to be a more enlightened one and has a direction to grow better every single day.
- To introduce a new destination and its people / beauty
- The tour will consist mainly of interactive sessions with the photographer and in some cases powerpoint presentations with a holistic approach to the nitty gritty of photography

Approach to Photographic People:

- Interactive approach.....
- Outrageous or Confrontational approach.....
- What is your approach and why?
- The importance of engaging with your subject Try it on the field.

Genres of Photography:

- Architectural Photography
- Still Life Photography
- Travel photography
- People and Portraits
- Landscapes
- Conceptual
- Nudes

The Basics of your camera:

- Shutter speed
- Aperture
- ISO
- Lenses prime and zoom
- Lighting low key and high key
- Focus points
- An exposure over exposing and under exposing

Evolving a personal style of your own:

- How important is it?
- Vision and creativity.....can creativity be taught?
- Be your self and discover
- Whats your true interest? Not everybody is the same
- Benchmark and grow to understand good photography from bad.

We can offer the photography tourism / workshop in every part of India and primarily, it is most effective in the following regions / cities:

- Kerala Backwaters
- Rich dense forested regions... e.g Wayanad etc.,
- Hilly regions e.g Kashmir, Kulu & Manali etc.,
- Northern India e.g Jaipur, Agra etc.,
- Ajanta & Ellora for the architectural sights and learning of it
- Bandipur National Park for the exciting photography learning with wildlife and much more.....

We can also organize exciting photography tours to every part of the world with our World Class Photographer & Instructor, who is also very well travelled and have wide knowledge about the destinations of India & World.
